

A NOTE FROM CALDWELL.

Mr. Editor:—Friday, the 4th of October, was a big day for the Alliance men of Caldwell county. The Sub-Alliance of Lower Creek had invited the County Alliance to meet with them at Highbritten Academy. The building is beautifully situated in a large grove of stately oaks. The day was perfectly lovely and the crowd was immense, so that not only the Academy but the grove was literally full of men, women and children. The meeting of the Alliance was very pleasant and harmonious. But the thing of the greatest interest to all was the dinner. Oh my! That dinner, that dinner! I just wish, Mr. Editor, you could have seen it and partaken of it. The table was long and doubtless a strong one, for there was heaped upon it everything that this most highly favored spot of the Piedmont section can produce. The fatted calf, the fatted pig, the well fed fowls of every kind, cakes, jellies, preserves, fruits and everything appetizing *ad infinitum*. If you could have seen how these good things disappeared after the Divine blessing was invoked, you would have thought some of us had a very light supper the night before. I had not taken time to eat breakfast that morning before leaving home. But after we had all eaten to our full capacity there were scores and scores of baskets of provisions left. Our Alliance is booming. We have increased nearly 150 per cent. during the last quarter.

NOTICE.

There will be a meeting of the County and Sub-Alliance Business Agents at my office, No. 14 W. Hargett street, Raleigh, on Tuesday, October 15th, at 8 o'clock p. m. All Alliancemen in attendance at the Fair are invited to come.

BUSINESS AGENCY FUND—IMPORTANT.

At the session of the State Alliance in Fayetteville, some brethren paid me money for the B. A. Fund, and were to send me names of contributors, number of Alliance, etc., on return home. Several have as yet failed to do this. Brethren, what is the matter with you? Don't you know certificates cannot be filled out until you furnish this information. Send it along.

W. A. GRAHAM, Trustee.

COTTON BAGGING.

The cotton mills that are manufacturing cotton bagging have not been able to fill their orders, as they had contracted to do. They have promised, after the 15th, to fill orders more promptly, and if they can I hope to supply all. But in the meantime, where you cannot wait, I would advise the use of any material other than new jute. I am aware it is a source of much inconvenience on account of the delay in getting the cotton bagging, but to no one more than to myself.

Respectfully,
W. H. WORTH,
State Business Agent.

GET A SEAL.

If you write to the State Secretary, the Business Agent, the Trustee, the President or the Chairman of the Executive Committee, do so under seal of your Alliance. How can these officers know that you are a member of the Alliance, except when you write under seal? This is business, brethren. The seal is your protection against imposition. Use it.

COTTON BAGGING!

In the shape of Dundee bags and pieced bagging, weight 1 1/2 pounds to the yard, offered to Alliance Agents and Planters at a price that will not exceed 44 cents for six yards, enough to cover a bale of cotton. For samples, etc., address

The Farmers' Alliance Warehouse

Henderson, N. C.

This House was opened on November 1st, 1888, and we are pleased to say that our business has been very satisfactory in the old crop, and we are better prepared than ever to handle the new crop at the highest prices with the lowest charges for selling. We have the full support of all the independent buyers of our market, and we do not publish sales of a few fancy lots to mislead. We have orders for both old and new Tobacco and are determined to put down the erroneous reports that we do not buy, by saying the highest prices. We want 50,000 lbs. of old Filers and Smokers at once for which we will pay the highest market value, and we are pleased to say that such grades have advanced. The new crop is curing very bright, and prices are satisfactory, our average sales on a large quantity sold being over 20 cents per pound, all grades. Don't sell your Tobacco to the hived drummer, but bring us your next load and we will convince you that you cannot afford to sell elsewhere.

Respectfully,

Ginning Outfit for Sale!

Having purchased a half interest in Dr. M. E. Robinson's gin and machinery, I offer my entire outfit for sale, embracing 12 horse power engine and boiler, 60 saw Lummas improved gin, feeder and condenser and Hart press, shafting and belting. The belting is worn and of little value and while the machinery is not new, it was carefully selected and is now in first rate condition and I hazard nothing in saying it is one of the best outfits in the country. For reasons stated above I have no use for it and it must be sold. It must be sold if it brings only half its value. I take it for granted parties wishing to purchase would like to see property before buying. It is in Webbtown, near this city, where the undersigned will take great pleasure in showing it to any wishing to see it. Parties at a distance wishing further information I will furnish full particulars with pleasure.
